Dear Bruce:

Yesterday marked the one year anniversary of the fire that we had at Datum Precision Inc. We would like to thank you, Chris Glenister and the rest of the people at Greenspan Adjusters International for all their efforts on our behalf, in recovering from this disaster. We have been able to relocate, and re-equip our company, and stay in business as a result of your help. We had no idea of the complexity of a claim of this nature, nor of what was really covered in our policy. Your expertise was essential, and your guidance made what was a very traumatic and trying experience manageable. On behalf of myself, Howard Carte, Dede Watson and the rest of our employees, Thank You for helping to save our business.
