Josh and Dave,

The stress we experienced when our home burned completely to the ground was devastating for our family. With no knowledge of how to proceed and with our busy schedules it was impossible for us to focus on the insurance claim in the way it needed to be done. It was with great relief we hired Adjusters International to guide us and advocate for us throughout the entire process. They did an amazing job and we will be forever grateful we hired them.

We appreciate all you and the entire team did for us. We hope we never have to go through this experience again. We will certainly hire you back if we do. If you have any clients that find themselves in similar circumstances, please feel free to use us as a reference,

Thanks again.

Sincerely,
